Bachelor of Science in Nursing

St. John's College offers:

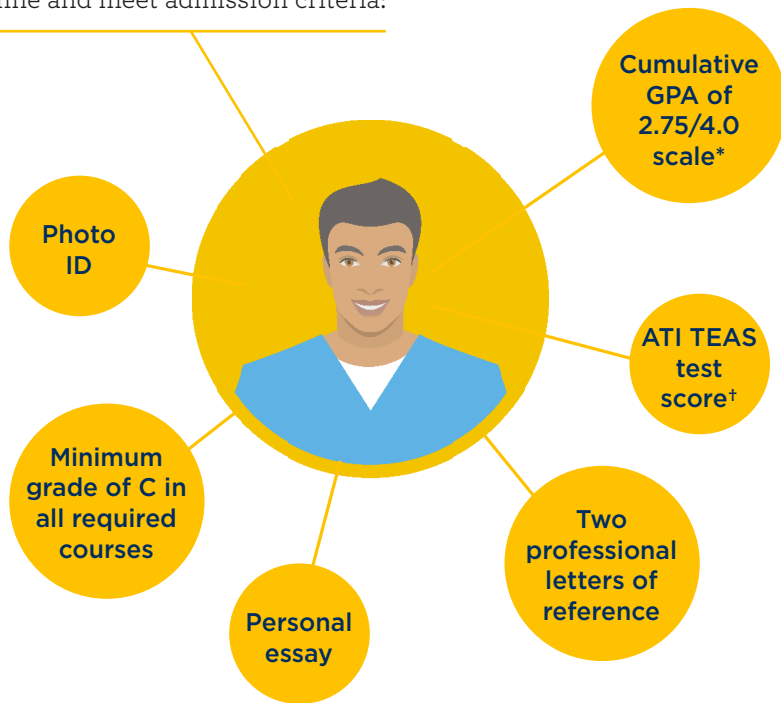

- On-campus clinical settings, including birth, intensive care, level 1 trauma and cardiac care.
- Small faculty-to-student ratios.
- State-of-the-art simulation center for hands-on learning.
- NCLEX pass rate exceeds state and national averages.
- Continuing and expanding diversity services.

Teaching excellence since 1886.

729 E. Carpenter Street | Springfield, IL 62702 | (217) 525-5628

Ready to Apply?

Prospective students must apply online and meet admission criteria:

* Official transcripts at the end of each semester from all regionally accredited college(s) or universities attended showing a cumulative GPA of 2.75/4.0. No designated lower division courses may be repeated more than once. Official transcripts must come directly from the granting institution.
† Complete the ATI Test of Essential Academic Skills (ATI TEAS) with a score of proficient or higher.

Criteria for Final Acceptance

To receive final acceptance and permission to enroll in classes, the student must achieve and maintain all provisional acceptance requirements required by St. John's College and:

1. Submit official transcripts showing proof of completion of 56 semester hours of designated lower division transfer credits from a regionally accredited college or university which meets the following requirements:
 - Cumulative GPA of 2.75/4.0.
 - No designated lower division course may be repeated more than once.
 - All courses completed with a minimum grade of C.

- All science courses must be completed within the last five years. Anatomy and physiology must be taken at the same institution.
 - Good academic standing at the last institution attended.
2. Completion of a pre-entrance health examination.
 3. Criminal background check with no disqualifying conditions.
 4. Current CPR certification.
 5. Proof of medical insurance.
 6. Proof of malpractice insurance.
 7. Proof of immunizations.

All persons provisionally accepted must meet the criteria for final admission before being enrolled in the college.
